This remodeled farmhouse perfectly blends traditional style with modern convenience and features many upgrades, including Viking appliances, granite counters, slate and onyx tile, a free-standing Picasso tub, central vacuum, tankless water heater, solar panel field and walk-in closets in all four bedrooms.

The wide, wrap-around porch invites you inside where you will find a brick fireplace in the living room, a formal dining room, a family room, and a country kitchen with a breakfast nook and a piano-shaped island with a breakfast bar.

There is also a one bedroom, one bath guest house with a separate driveway and 2-car garage for long-term guests or use as a rental, a breezeway barn and a Sunkist member orchard of approximately 200 Valencia orange trees.
